

Application Guide

2017 GKS for ASEAN countries' SCIENCE and ENGINEERING Students

Ministry of Education

National Institute for
International Education

GLOBAL
KOREA
SCHOLARSHIP

The Korean Government invites outstanding students who are majoring in the fields of science and engineering at the universities and colleges of the 10 ASEAN countries. This training program is designed to provide students with an in-depth academic training in the science and engineering fields and invaluable experience in Korea. This program seeks to nurture future leaders who will contribute to the development of global society and further friendship between Korea and their home country. Students who are interested in this training program are welcome to apply.
