Students can also live off-campus within walking distance of the campus. They can rent 2-4 bedroom apartment (flat) for roughly \$300/student/month. The meal plan can be purchased with this or they can choose to eat in off-campus restaurants. The meal costs of course vary based on where they eat and how often they cook in their own kitchen. A rough range for 3 meals a day could be anywhere \$20-30/day.
