

FAQ

- **[NEW] Where can I find the template?**

A template is proposed only after at least two members have been officially confirmed (acceptation of the team leader's e-mail invitation and Rules' Conditions). An invitation from the team leader goes to the teammate email address and he/she should accept it. Once this is done, a button appears on the team page to download the template.

- **[NEW] Why is my name only registered on the application, whereas I applied for 2 (or +) members?**

Because the other team member(s) did not confirm their participation following your email invitation. If at least one more team member does not confirm by the deadline, the project cannot be submitted.
