Queen Mary
University of London

QMUL-Chula partnership (Co-operative Masters programmes)

- 4+1 programme – Chula graduates from the following programmes can apply
    - B.Eng Bachelor of Engineering
    - B.Eng Aerospace Engineering
    - B.Eng Automotive Design and Manufacturing Engineering
    - B.Eng Information and Communications Engineering
    - B.Eng Nano-Engineering

- 4+1 – min. average 3.0 GPA in Bachelor degree programme

- English Language requirements
    - 7.0 IELTS score for programmes in Business and Management with 6.5 in Writing
    - 6.5 IELTS score for programmes in Engineering and Materials Science, Electronic Engineering and Computer Science and School of Physics and Astronomy with 5.5 in Writing

- Tuition fees costs vary depending on the programme (~£15,750 – £21,800 per year)

- Cost of living is ~£1,250 per month

Available 4+1 Programmes (1)

School of Engineering and Materials Science
- MSc Advanced Mechanical Engineering
- MSc Aerospace Engineering
- MSc Biomaterials
- MSc Biomedical Engineering
- MSc Biomedical Engineering with Biomaterials and Tissue Engineering
- MSc Biomedical Engineering with Imaging and Instrumentation
- MSc Computer Aided Engineering
- MSc Dental Materials
- MSc/MRes Materials Research
- MSc Mechanical Engineering
- MSc Polymer Science and Nanotechnology
- MSc Regenerative Medicine
- MSc Sustainable Energy Engineering
- MSc Sustainable Energy Systems

School of Business and Management
- MSc Accounting and Finance
- MSc/MRes Accounting and Management
- MRes Business and Management
- MSc Business Analytics
- MRes Innovation and Enterprise
- MSc/MRes International Business and Politics
- MSc/MRes International Business
- MSc/MRes International Financial Management
- MSc/MRes International Human Resource Management
- MSc Management and Organisational Innovation
- MSc Management
- MSc Marketing
- MPA Public Administration
- MRes Public Services
- MRes Work and Organisation

Available 4+1 Programmes (2)

School of Electronic Engineering and Computer Science

- MSc Computer Science
- MSc Artificial Intelligence
- MSc Big Data Science
- MSc Software Engineering
- MSc Computer Vision
- MSc Computing and Information Systems
- MSc Network Science
- MSc Financial Computing
- MSc Media and Arts Technology by Research
- MRes Computer Science by Research
- MSc Electronic Engineering by Research
- MSc Sound and Music Computing
- MSc Telecommunication and Wireless Systems

School of Electronic Engineering and Computer Science (cntd)

- MSc Telecommunication and Wireless System Management
- MSc Electronic and Electrical Engineering
- MSc Internet of Things (Engineering)
- MSc Internet of Things (Intelligent Sensing)
- MSc Internet of Things (Data)

- **School of Physics and Astronomy**
- MSc Condensed Matter Physics
- MSc Particle Physics
- MSc Theoretical Physics
- MSc Astrophysics

Applying to QMUL

- Simple, quick and streamlined process for Chula students

- Dedicated team to support your application

- Online application form

  http://www.qmul.ac.uk/international/partnerships/application/

- Send your supporting documents to international-partnerships@qmul.ac.uk
  (Passport, 1 academic reference, English language and transcript)

- Application route will guarantee you receive a 10% discount on tuition fees

- Application deadline – 15 April 2018

Exclusive for Chula - S & E Partner Award

- £5,000 scholarship towards tuition fee costs

- Science and Engineering Faculty Award offered to academically strong students

- Exclusive to Chula students

- Awarded to students with an average grade (GPA 3.4 out of 4)

- Eligible students are automatically enrolled – no need to apply
